

Monthly Accreditation Report January 2024

- 11 Installers were suspended.
- 1 Installer was cancelled.
- 3,850 Installer Compliance Cases were closed.
 - 3,728 of these were adequate inspection referrals from the Clean Energy Regulator that did not require further investigation.
- 119 Installer Compliance Cases resulted in compliance action.

January 2024 case outcomes

*Installer Compliance Cases resulting in compliance action that don't require the Installer to complete remediation tasks are categorised as "Demerits Allocated" because the Installer is still penalised for the non-compliance.

Number of Installers Cancelled and Suspended between 1 February 2023 and 31 January 2024
